- 6.15 The Commissioner may consolidate, and take action with respect to, two or more complaints filed by or on behalf of two or more Customers relating to the same Participating Service Provider and arising from the same transaction or occurrence or series of transactions or occurrences.
- 6.16 Subject to Section 6.17, the Commissioner shall not consider and shall take no action with respect to a single complaint filed by or on behalf of more than one Customer.
- 6.17 Notwithstanding Section 6.16, the Commissioner may take action with respect to a complaint filed by or on behalf of one or more Customers, provided that:

As part of such investigation, the Commissioner may request, and a Participating Service Provider shall promptly provide (subject to Section 15.2) to the Commissioner, any information, document, including reliable copies thereof, or other thing that is relevant.
- 8.2 The Commissioner may assess any such failure to inform a Customer of the CCTS in determining the extent of any loss, damage or inconvenience incurred by the Customer under Section 14.2(a).

- (d) an investigation, or further investigation, is not warranted in the circumstances;

- (f) the Participating Service Provider is offering a resolution that, in the view of the Commissioner, constitutes a reasonable resolution to the matter, even if such resolution is not acceptable to the Customer.

10. Duty to Decline to Take Action

10.1 The Commissioner shall take no action with respect to a complaint unless the Commissioner is satisfied that the Customer has previously brought the matter to the attention of the Participating Service Provider and that the Participating Service Provider has been afforded a reasonable opportunity to investigate and resolve the matter.

10.2 The Commissioner shall take no action with respect to any complaint purported to be brought under this Code that:

- (a) has been the subject of a previous determination by CCTS; or
- (b) has been or is currently under consideration by another tribunal, court, or agency that has the authority to compensate the Customer for losses claimed arising from the occurrence at issue.

10.3 The Commissioner shall take no action with respect to a complaint:

- (a) received by the Commissioner more than one year after the date the Customer knew, or with reasonable diligence ought to have known, the facts upon which the complaint is based; or
- (b) in the case of a Participating Service Provider having become a Participating Service Provider on or after September 1, 2017, based upon or in relation to facts having arisen more than one year prior to the date on which the Participating Service Provider became a Participating Service Provider.

Notwithstanding subsections (a) and (b) above and Section 10.5 below, for greater certainty, the Commissioner shall take no action:

- (i) under Section 8; or

10.4 For the purposes of Section 10.3(a), a complaint shall be deemed to be received by the Commissioner on the earlier of:

- (a) the date it is actually received; or
 - (b) five (5) days after it was sent to the Commissioner by regular mail.
- 10.5 Notwithstanding Section 10.3(a), the Commissioner may take action with respect to a complaint received by the Commissioner more than one year but no more than eighteen (18) months after the date when the Customer knew, or with reasonable diligence ought to have known, the facts upon which the complaint is based where:

 - (b) the Customer and the Participating Service Provider continued to be engaged in an attempt to resolve the matter more than one year after the date when the Customer knew, or with reasonable diligence ought to have known, the facts upon which the complaint is based.

11. Investigation and Resolution

- 11.1 The procedure for the conduct of any investigation under this Code will be such as the Commissioner considers most appropriate, efficient and effective for resolution of a complaint on its merits.
- 11.2 In the course of an investigation, the Commissioner may continue to seek to facilitate a mutually acceptable resolution of a complaint wherever practical and appropriate.
- 11.3 When a complaint cannot be resolved in a manner acceptable to the parties to the complaint, the Commissioner may direct that it be dealt with under any one of Section 9, 12 or 13 of this Code.

12. Recommendations

- 12.1 Upon completing an investigation, the Commissioner may either reject the complaint or make a Recommendation to the Customer and the Participating Service Provider regarding what the Commissioner considers to be a reasonable and appropriate resolution of the complaint, without having regard to any monetary limitations of liability contained in the contract between the Customer and the Participating Service Provider.
- 12.2 The Commissioner's Recommendation:
- (a) shall be in writing;
 - (b) shall include the Commissioner's reasons;
 - (c) is not binding on the Customer or the Participating Service Provider; and

- (d) is subject to the monetary limits set out in Section 14.
- 12.3 Within twenty (20) days of receipt of the Commissioner's Recommendation, each of the Customer and the Participating Service Provider shall inform the Commissioner in writing either that:
- (a) the party accepts the Commissioner's Recommendation; or
 - (b) the party does not accept the Commissioner's Recommendation and the reasons why, in the party's view, the Commissioner's Recommendation is not appropriate or acceptable.
- 12.4 If the Customer and the Participating Service Provider both accept the Commissioner's Recommendation, the Participating Service Provider and the Customer shall promptly take such steps as are called for in the Recommendation, and the Customer and the Participating Service Provider shall be deemed to fully release one another from any and all losses, damages, and claims, arising from the matters relating to the complaint.
- 12.5 If either the Customer or the Participating Service Provider fails to respond to the Commissioner's Recommendation within twenty (20) days of receipt, the Recommendation shall be deemed to have been accepted by that party.
- 12.6 A Recommendation that has been accepted by the Participating Service Provider, or which it has been deemed to accept, shall be binding on the Participating Service Provider.

13. Decisions

- 13.1 If either the Customer or the Participating Service Provider, or both, do not accept the Commissioner's Recommendation, the Commissioner shall consider the reasons set out by either or both parties for rejecting the Recommendation, and shall thereafter issue a Decision in writing, including the Commissioner's detailed reasons.
- 13.2 In formulating the Decision, the Commissioner shall consider whether there is substantial doubt as to the correctness of the Recommendation. If in the Commissioner's discretion there is doubt as to the correctness of the original Recommendation, the Commissioner's Decision may amend or modify the remedy recommended to the Customer and the Participating Service Provider in the Recommendation, or may impose a remedy not previously recommended.
- 13.3 The Commissioner's Decision shall be binding on the Participating Service Provider, but not on the Customer.
- 13.4 The Customer may choose whether or not to accept the Commissioner's Decision under Section 13.2 within twenty (20) days of receipt. In order to do so, the Customer shall notify the Commissioner and the Participating Service Provider in writing. If the Customer does not provide this notice, the Customer will be deemed to reject the Decision.

- 13.5 If the Customer accepts the Decision, the Customer and the Participating Service Provider shall be deemed to fully release one another from any and all losses, damages, and claims, arising from the matters relating to the complaint.
- 13.6 If the Customer does not accept the Decision, the Customer may pursue such remedies as may be available to the Customer, and the Participating Service Provider shall be deemed to be fully released from the Commissioner's Decision.

 - (d) any combination thereof.
- 14.2 In making a Recommendation or a Decision that a Participating Service Provider pay monetary compensation to a Customer, the Commissioner:
- (a) shall award an amount that is appropriate to compensate the Customer for any loss, damage or inconvenience incurred by the Customer arising directly from the circumstances of the complaint, or the failure of the Participating Service Provider to abide by Section 7.1 or to inform a Customer of the CCTS in respect of their complaint;
 - (b) shall not make an award that is punitive of the Participating Service Provider, or is in the nature of consequential damages; and
 - (c) may, where appropriate, exercise his or her discretion whether or not to apply any limitations of liability contained in the applicable contract between the Customer and the Participating Service Provider.

For greater certainty, amounts that the Commissioner determines are to be refunded or credited as a result of billing errors shall not constitute monetary compensation within the meaning of Section 14.1(c).

15. Information and Assistance

15.1 In all matters related to the activities of the Commissioner under this Code, the Commissioner may:

- (a) require such assistance of the Customer and the Participating Service Provider as the Commissioner considers reasonable and appropriate; and
- (b) request, and a Participating Service Provider shall promptly provide (subject to Section 15.2), any information, document, including reliable copies thereof, or other thing that is relevant to the complaint, whether or not such information, document or other thing is admissible as evidence in a court of law. The Commissioner may receive and rely upon any document so provided.

15.2 A Participating Service Provider may decline to provide any information or document requested by the Commissioner, if it can demonstrate, to the satisfaction of the Commissioner, that the material is subject to solicitor-client privilege, or that by providing it the Participating Service Provider would place itself in breach of the law.

15.3 If a Participating Service Provider or Customer discloses documents or supplies information to the Commissioner and requests that the Commissioner not disclose such information, the Commissioner shall not disclose that information to any other party without the consent of the party who has made such request, provided that:

- (a) non-disclosure of such information does not unduly impede the Commissioner's ability to attempt to investigate, assist in the resolution of and/or make a Recommendation or Decision with respect to the complaint; and
- (b) the Commissioner is satisfied that the request has been made in good faith.

If, in the judgment of the Commissioner, the request for non-disclosure impedes a full and fair investigation of the complaint, the Commissioner shall offer the party making such request the opportunity to either (i) withdraw the information or documents from consideration in the investigation of the complaint, or (ii) withdraw the request that the information or documents not be disclosed.

16. No Use or Disclosure in Other Proceedings

16.1 The discussions, documents and correspondence of the Customer, the Participating Service Provider, and the Commissioner created for, arising from or in relation to a complaint shall be deemed to be without prejudice and shall not be disclosed or used in any subsequent legal or other proceeding.

16.2 The Commissioner, members of his or her staff, or his agents may not be called to testify in any subsequent legal or other proceeding, nor may production or disclosure be sought of any document, discussion or correspondence arising from a complaint or any document or information contained in the files of the Commissioner.

17. Confidentiality

17.1 In the course of carrying out his or her functions, powers and jurisdiction, the Commissioner shall, subject to Section 17.3 below, maintain the confidentiality of the Customer and the Participating Service Provider, save as between the parties to the complaint and as may be necessary to carry out the Commissioner's functions in relation to the complaint.

17.2 Without limiting the generality of the foregoing, all conciliations, investigations or, Recommendations shall maintain the anonymity of the Participating Service Provider and the Customer.

17.3 Notwithstanding Section 17.1, a Decision of the Commissioner made pursuant to Section 13.1, whether accepted by the Customer or not, shall be available to the public, including the name of the relevant Participating Service Provider. The name and identity of the Customer shall remain confidential and any identifying information shall be removed from any public disclosure of such Decision.

18. Immunity

18.1 The Commissioner and his or her staff and agents are immune from suit in relation to the good faith exercise of their functions, powers and jurisdiction under this Code, and all related activities.

19. Commissioner's Discretion

19.1 The Commissioner may, in his or her discretion, on notice to the Customer and the Participating Service Provider, extend or abridge the time for taking any action under this Code, save and except for the time limitation for filing a complaint pursuant to Sections 10.3 through 10.5. Without restricting the foregoing, the Commissioner shall exercise his or her discretion pursuant to this Section to ensure that any changes to the time for taking action under this Code shall not operate in such a manner as to cause unfairness to either a Customer or a Participating Service Provider involved in the complaint.

20. Recommendations and Decisions Do Not Establish Precedents

20.1 In considering each complaint, the Commissioner's discretion shall not be fettered by, and the Commissioner shall not be bound by, any previous Recommendation or Decision made by the Commissioner or by any predecessor in that office.
